Description

When the streamlined contours of a coupe meet the versatility of an estate, the result is the CLA Shooting Brake, a unique car which gives you over 500 litres of boot space while retaining the panache of a coupe. A sumptuous AMG interior has leather seats and the latest automotive technology, including an automatic tailgate, touch-sensitive controls, dual climate control, and heated seats. This car also features upgrades, including the parking package with reversing camera, mirror package, and smartphone integration. On the road this car has the performance to match its sporting good looks thanks to a refined 190hp, and you'll still get excellent fuel economy. Contact us today and test drive this exceptional car. • Nationwide delivery is available. MSL Cork is a principal dealer for Mercedes Benz in Ireland. This is a beautiful example of a Mercedes-Benz which is available to test drive right now. This vehicle has just arrived into our stock, comes with a comprehensive warranty and is prepared to the highest Mercedes Benz standards. All makes and models are accepted as part exchange.
